- 2) **Final examinations are compulsory** in Summer School and must be written on **Thursday, July 29th. There are no exceptions to this policy.**
- 3) Exam review and final mark review takes place on **Friday, July 30<sup>th</sup>. Failure to attend forfeits student's ability to review exam/mark results.**
- 4) Classes are filled on a first-come, first-served basis with the fax time stamp as the method used to determine placement priority.
- 5) Students who do not show up to class by 9:00 a.m. on the first day will lose their spots in class.
- 6) **100% attendance is expected.** Students must be punctual and must attend every day. If for serious reasons, as approved by the summer school principal, a student must be absent, the limit is 3 days. More than 3 days absence will result in the automatic removal of the student from the course.
- 7) The pace and volume of work at summer school are demanding. Students should expect daily homework, as well as tests, quizzes and assignments each week. The timeline for assignments cannot be extended for any students due to the short timeframe of summer school. ## On-site Course Information for Grade 8 Reach Ahead Credit Summer School 2010

As we rely on the information on this form to contact students about enrolment and cancellations, it is extremely important that you print your information clearly on this registration form. If we cannot read your registration form, we will not be able to enrol you and we will not be able to contact you. **We need the parent to provide a contact email address as this is our first method of contact for cancellation, confirmation, or other information.**

Due to the compressed instructional time, on-site courses require a high level of discipline and commitment on the part of the student in order to be successful. You need to be able to handle both the six hours of daily instruction and the after-school time required for homework and assignments for the 20 school days of summer school.

Your child's confirmation of receipt of your registration and then the class confirmation will be sent by email – please make sure you print your email address clearly. You must respond to these emails to confirm that you have received the information and then again to confirm your child's spot in the course.
